

# October 1 - 5

## Math and Science

This week we will complete Topic 2 and take our chapter test on Wednesday. Our next unit of study is Multiplication. Remind your child to complete Accelerated Math at least once a week....our goal is 25 objectives by the end of the quarter.

In Science we will continue to look at forces and how they are at work around us, like friction, gravity and magnetism.

## CONTACTS:

Mrs. Kells:

[kells@wwgschools.org](mailto:kells@wwgschools.org)

Mrs. Jorgenson:

[jorgenson@wwgschools.org](mailto:jorgenson@wwgschools.org)

Mr. Ross:

[ross@wwgschools.org](mailto:ross@wwgschools.org)

## Reading / LA

The students must read pages 70 - 83 in Frindle by Friday. They take a short quiz every Friday over the reading assignment. In reading we're working on figurative language using the fairy tale The Princess and the Pea

LA- Simple Subj & Pred prepositions

Poetry

## Social

Some students are already on twenty states they need to memorize by Friday. To check where your child is, they should have fifteen points for state location.
