

April 9 - 13

Twins Game on
Wednesday!!

Math and Science

This week we will finish Topic 13 with a study on how to find the volume of irregular shapes. Next we will begin exploring data and different ways to represent data.

We will also be doing some practice tests for the upcoming MCA exams at the end of the month.

In Science we are exploring density!

CONTACTS:

Mrs. Kells:

kells@wwgschools.org

Mrs. Jorgenson:

jorgenson@wwgschools.org

Mr. Ross:

ross@wwgschools.org

Reading

We're working on test taking vocabulary.

The students should read chapters 12 - 14 pages 88 - 109 in Woods Runner by Friday

We have had quite a few student teachers in our room from SMSU. Two of them will be teaching a reading lesson next week.

Social

Everyone will be making a United States Constitution lap book.

Every week the students get a map on Monday and it is due on Friday.

IMPORTANT DATES:

5th and 6th Grade class trip is this Wednesday!!! Remember bus leaves Westbrook at 6:15 AM and Walnut Grove at 6:35 AM. Could be a cold game, so bundle up!!!
